DONT BELIEVE EVERY THING
YOU Read CAUSE IT might
BE TRUE!!!!

the Park SURF N TURF in Wisconsin just
Reopened in December, it's an Indoor skate
Park. Issue #9 of SPEEDZINE will have a
color cover. BoB Schelmer (Freestyler) just
turn pro in Huntington Beach and took 2nd
under Rodney Mullen. FAB's Ramp still not
skateable. Rob Roskopp might ride for Gullwing
trucks. Lance Mountain model out soon!
the Faction is coming out with a new
12" E.P. called "DARK ROOM" which has
6 new songs on it in 2 months.

When you send cash through the mail you should
always wrap it up in paper cause sometimes
the people who work at the post offices like
to steal money from letters, so watch out for
the mail crooks!

there's going to be another
Skate Fun Jam at Lance's Rebuilt Ramp sometime
in December, it's called "Lock at Lance's".
Agent ORANGE, JFA, SSD and Social Distortion
will be coming out with new records soon!
VAN'S Skateboard shoes went out of
business. too bad for a shoe company who
supported BMX and Breakdancers better than skaters!

RECORD REVIEW

BY

BILLY MIDOL

SAM HAIN (INITIUM)

From the ashes of the Misfits comes Sam Hain, a Glen Danzig fronted horror rock outfit of the ghouldest kind. As far as gut wrenching macabre goes, Sam Hain is in color while the Misfits growled in black and white. If the haunting melodies of Archangle and the irony of All Murder, All Guts, All Fun don't make your skin crawl, you are all ready stiff. Don't turn out the lights while the chantings of Initium ooz from your speakers, and don't even ask about He Who Cannot Be Named, especially when deep down inside you all ready know the answer. For a frightfully fun time this record leaves no (grave) stone unturned. Despite the fact that Eerie Von's bass rumblings and Steve Zing's tribal poundings are buried in a Satanically bad mix, the howling vocals of Glen (one last Caress) Danzig pull this this hunk of evil doing into the classic ranks. Get it if you got the guts.
